“ABUNDANCE and Day and Night bathymetric distribution of Siphonophora during the four seasons of 1969 off California a Baja California (Abundancia y distribución batimétrica diurna y nocturna durante las cuatro estaciones del año 1969, en California y Baja California)”, *Investigaciones Marinas CICIMAR*, México, 6, 1 (1991), especial, p. 1-37

“ABUNDANCE of zooplankton species, females and males, eggs and larvae of holoplanktonic species. Zooplankton assemblages and changes in the zooplankton communities related to *Engraulis mordax* spawning and survival of larvae”, en . *Mem. III Encontro Brasileiro de Plancton*, 1989, p. 63-149.

“ASEXUAL Propagation, and reproductive strategies in Chaetognaths”, en ADOYI, K.G., ADOYI, R.G. (ed.), *Reproductive Biology of Invertebrates*, Oxford & IBH Publishing Co., 1993, v. 6, p. 329-338.

“ATLANTIC Chaetognatha, Distribution and essential notes of Systematics”, *Travaux Spanish Institute of Oceanography*, 37 (1969), p. 1-290.

“BATHYMETRIC distribution at daylight and night of seventeen species of Chaetognatha during the four seasons of 1969, off California y Baja California (Distribución batimétrica diurna y nocturna de diez y siete especies de Quetognatos, durante las cuatro estaciones del año 1969, en aguas de California y Baja California)”, *Investigaciones Marinas CICIMAR*, México, n.º 7 (1992), especial, p. 1-169.

“BATHYMETRIC distribution of Pleuroncodes planipes Stimpson [Crustacea, Galatheidae]”, en *Memoirs Symposium on Biology and population Dynamics of Shrimps*, Guayma (México), 1976, p. 266-285.

“BATHYMETRIC distribution of Chaetognatha, Siphonophorae, Medusae and Ctenophora off San Diego, California”, *Pacific Science*, 21, 4 (1967), p. 474-485 & *Contributions Scripps Institution of Oceanography*, 3, 2171 (1967), p. 902-913.

“BATHYMETRIC distribution of Chaetognaths”, *Pacific Science*, 18, 1 (1964), p. 64-82, & *Contributions Scripps Institution of Oceanography*, 3, 1616 (1964), p. 39-57.

“BATHYMETRIC distribution of species of genus Lensia in California and Baja California waters. Diphyidae, Siphonophorae, Coelenterata”, en *VI Latin- American Symposium on Biological Oceanography, November 1979*, San José de Costa Rica, 1979.

“A BENTHIC Chaetognatha: Study and Distribution. (Los Quetognatos bentónicos: Estudio y distribución)”, en *Memoirs VIII Latin-American Congress of Zoology*, Mérida (Venezuela), 1981, v. 2, p. 1109-1128.

“BENTHIC Chaetognatha: Study and Distribution. (Los Quetognatos bentónicos: Estudio y distribución)”, en *Abstracts VIII Latin-American Congress of Zoology, October 1980, Mérida, Venezuela*, 1980, p. 95.

“The CHAETOGNATHA of the MONSOON Expedition in the Indian Ocean”, *Pacific Science*, 28, 3 (1964), p. 336-348, & *Contributions Scripps Institute of Oceanography*, 34, 1687 (1964), p. 1456-1471.

“The CHAETOGNATHA of the NAGA Expedition (1959-1961) in the China Sea and the Gulf of Thailand. Part I. Systemics”, *Scripps Institution of Oceanography*, University of California, 4, 2 (1967), p. 1-197.

“CHAETOGNATHA, Siphonophorae and Medusae in the Equatorial Atlantic off the Amazon Estuary”, *Annals Institute of Biology, National Autonomous University of Mexico, Serie Ciencia, Mar & Limnología*, 1 (1968), p. 41-76.

“CHAETOGNATHA, Siphonophorae and Medusae in the tropico-equatorial, Atlantic region off the Amazon Estuary”, en *Abstracts International Symposium on coastal Lagoons Lagoons*, 1967, p. 4-5.

“CHAETOGNATHA. Oogenesis, Ovoposition, and Oosorption”, en ADIYODI, K.G., ADIYODI, R.G (ed.), *Reproduction of Invertebrates*, John Wiley & Sons Ltd. Publishers, 1983, v. 1, p. 585-610.

“CHAETOGNATHA: Spermatogenesis and Sperm function”, en ADIYODI, K.G., ADIYODI, R.G (ed.), *Reproductive Biology of Invertebrate*, Oxford & IBH Publishing, 1983, v. 2, p. 531-544.

“CHAETOGNATHA”, en *Encyclopaedia Britannica*, 15 ed., Chicago, Helen Hemingway Benton Publisher, Encyclopaedia Britannica Inc., 1974, p. 18-19.

“CHAETOGNATHS”, *Oceanography and Marine Biology: Annual Review*, H. Barnes ed., London, George Allen and Uwin Ltd. Publisher, 3 (1965), p. 155-194, & *Contributions Scripps Institution of Oceanography*, 35, 1829 (1965).

“DAY and night bathymetric distribution and abundance of Hydromedusae during the four seasons of 1969, off California and Baja California (Distribución batimétrica diurna y nocturna y abundancia de las Hidromedusas en aguas de California y Baja California durante las cuatro estaciones del año 1969)”, *Investigaciones Marinas CICIMAR*, México, (1993)

“The DEPTH distribution, relative abundance and structure of the population of the Chaetognatha *Sagitta scrippsae* Alvarino 1962, in the California Current of California and Baja California”, *Anales del Instituto de Ciencias del Mar y Limnología*, México, Universidad Nacional Autónoma, 10, 1 (1983), p. 47-84.

“DISTRIBUCIÓN batimétrica de especies del género *Leniza* en las aguas de California y Baja California (Diphyidae, Siphonophorae, Coelenterata)”, *Centro Interdisciplinario de Investigaciones Marinas CICIMAR*, México, 2, 1 (1985), p. 59-80.

“DISTRIBUCIÓN of Siphonophores in the regions adjacent to the Suez and Panama Canals”, *U.S. Fishery Bulletin*, 72, 2 (1974), p. 527-546.

“DISTRIBUCIÓN of Siphonophores in the regions adjacent to the Suez and Panama Canals”, en *The XVII International Zoological Cor* Symposium on the Biological Effects of Interoceanic Canals, Monte-Carlo, September 1972*, 1972, 1 p.

DISTRIBUTIONAL atlas of Chaetognatha in the California Current region during the CalCOFI monthly cruises of 1954 and 1958, La Joya (California), California Cooperative Oceanic Fisheries Investigations, 1965, p. 1-291 (Atlases, 3).

“EGG pouches and other reproductive structures in pelagic Chaetognatha”, *Pacific Science*, 22, 4 (1968), p. 488-492 & *Contribution Scripps Institution of Oceanography*, 38, 2349 (1968), p. 553-558.

“EPIPLANKTONIC Chaetognatha of the Sea of Cortes”, *Revista de la Sociedad Mexicana de Historia Natural*, 24 (1963), 97-203. & *Contributions Scripps Institution of Oceanography*, 34 (1966), p. 645-752.

ESPAÑA y la primera expedición científica oceánica, 1789-1794: Malaspina y Bustamante con las corbetas Descubierta y Atrevida, Santiago de Compostela, Xunta de Galicia, 2002.

“EVOLUTION in Chaetognatha; distribution and morphology”, en *Abstracts III National Congress of Oceanography*, Mexico, 1967, p. 1-2.

“FERTILIZATION. Development and parenteral care in Chaetognatha”, en ADIYODI, K.G., ADIYODI, R.G (ed.), *Reproductive Biology of Invertebrate*, Oxford & IBH Publishing, 1990, v. 4, p. 255-282.
